

MedVal Scientific Information Services, LLC and PharmaWrite Medical Communications, LLC

Greetings,

MedVal Scientific Information Services, LLC and PharmaWrite Medical Communications, LLC are independent medical communications companies with a passion for providing clients with unparalleled scientific expertise to help meet their challenges in a continually changing and demanding healthcare environment. We are jointly offering a 1-year postdoctoral fellowship in the medical communications industry beginning July 1, 2022.

The primary goal of this program is to provide a foundation for a career in medical communications through training and exposure to various aspects of the industry, with a focus on medical affairs. The program also offers the opportunity to participate in the Teaching and Learning Curriculum (TLC) Program through the Philadelphia College of Pharmacy, University of the Sciences in Philadelphia, PA. Fellows will gain experience working with major pharmaceutical and biotech companies and collaborate with team members on the development of clinical trial manuscripts, review articles, advisory board meetings and presentations of all types.

Interested students should visit our website at www.pwmvscifellowship.weebly.com and view the 2022-2023 fellowship program brochure! Application materials may be submitted through ASHP's Personnel Placement Service, IPhO's FellowMatch, or directly by email (fellow@pwmvsci.com). All application materials are due **December 1, 2021**.

Applications will be reviewed and interviews will be scheduled on a first come first serve rolling basis. Questions about the program should be directed to fellow@pwmvsci.com.

Best,

Elizabeth Claus, PharmD

Medical Communications Fellow
